**PROCEEDS GO TO HEADROOM

WELCOME

On behalf of all involved, it is our pleasure to welcome you to the 2007 My Happiness Exhibition and Auction.

This event is ran to make a positive impact on mental health for young people and to raise awareness about mental space and wellness. The proceeds of today's live and silent auctions are going to the mental health initiative, Headroom, and arts programs run by the Division of Child and Adolescent Mental Health, Children Youth and Women's Health Service.

This is not a regular art exhibition—expect to enjoy a delicious gourmet BBQ from the Lion Hotel, a variety of drinks from Little Creatures and Wyndham Estate as well as brilliant cabaret entertainment from Hans, a live performance from Adelaide jazz/funk band Nadjeska and the retro stylings of DJ Monski Mouse. There will also be a chance to indulge in henna body art by Humna Mustafa and last but definitely not least, the opportunity to purchase some amazing pieces of artwork through our Main and Silent Auctions today.

The exhibition includes contributions from amazing artists from all around Australia in mediums such as painting, sculpture, jewellery design, sketching and photography.

We would like to pass our special thanks to all who have contributed to this exhibition through time, effort, artistic passion and, of course, money.

A special thanks to our Major Sponsors: Onya Soapbox, Brave New Media, Proteus Enterprises and Worldwide Printing.

Big thanks must also go to you, for coming along and supporting this event and Headroom. We hope you enjoy the My Happiness Exhibition and find something inspiring, or something that simply matches your walls, in the diverse artworks here today!
